VOTING RIGHTS NEWS

PROGRESSIVE CHURCH AND STATE

National - 'Tis the season for reports on how our election work. One such report comes from the Presbyterian Church USA and is entitled "Lift Every Voice, Democracy, Voting Rights and Electoral Reform." This report back many progressive initiatives, including a constitutional right to vote. You can read the report here:

EARLY VOTING

Ohio - "We can't let it be too easy to vote" could be a GOP bumper sticker, if honesty was a requisite for such things. The Ohio GOP is seeking to curtail a window which they initially enacted, that allows voters five days to register and vote simultaneously before election day. State Democrats are working hard to hold the line on this curtailment of voter rights.

VOTER TURNOUT

Atlanta, GA - Republicans celebrated a resounding win in Georgia's hard-fought U.S. Senate runoff, a victory that denied Democrats a filibuster-proof majority and cemented the state's reputation as a GOP bastion. Democrat Martin hoped to capitalize on excitement surrounding Obama but was unable to get many of the president elect's voters back to the polls one month after the general election. WHO ARE WE?

The DC Democratic Lawyers Council (DC DLC) is a group of Democratic lawyers, affiliated with the National Lawyers Council of the Democratic National Committee, volunteering their legal skills to strengthen the democratic process. We work to ensure that every eligible citizen is allowed to vote and that every vote cast in every election is counted. The DC DLC was formed out of a concern that voting rights are increasingly under attack in our country and an understanding that now is the time to put the skills of Democratic attorneys to work to ensure that every citizen's right to vote will be upheld in future elections. Our activities include advocating for better

laws and regulations and initiating litigation when necessary to guarantee the fairness of and the widest participation in the U.S. electoral process.

The Democratic Lawyers Council was founded by attorneys who have served on the front line of election law for the Democratic Party in numerous elections, including most recently, the 2000 and 2004 presidential elections. The lesson learned from the recount debacle was that post-election day litigation will hardly ever fix any election injustice. Given that, many of the recount lawyers, particularly those based in Florida, engineered a comprehensive voter protection program to confront and deal with voter and election issues before Election Day. One aspect of this effort was the recruitment of 3200 lawyers who, after receiving specialized election law and procedures training, worked inside the polls in key precincts in Florida on Election Day to assure that every citizen who showed up to vote, was able to do so.

Our mission statement is simple:

We are a coalition of lawyers and others dedicated to fostering universal participation and trust in the electoral process by ensuring that:

- All eligible persons can register to vote easily;
- All registered voters are able to vote simply, fairly, and without intimidation; and
- All votes are counted accurately and all voting systems are open and reliable.

We encourage you to send us an e-mail if you would like more information or are interested in becoming a part of our organization.
